Insword reunion, Dent Oct 2012

Hi Jill

What a thoroughly enjoyable day I had around Kendal, Dent and Kirkby Lonsdale for the Insword Reunion.

Thanks ever so much for asking me to join you and thanks to everyone for making Viv and I feel so welcome. Pauline and Dennis provided amazing hospitality and fine food for everyone.

I hope we did not leave the party in unseemly haste, but we had quite a long drive back to be greeted by a ravenous cat! Though we were very grateful for the extra hour the clocks granted us.

It also made for a far more convivial day being joined by the Crook Rapper teams.

I hope you managed to enjoy Sunday even though the weather was less kind (judging by what we had in Ferrensby) and I hope everyone arrived home safely.

There are a couple of pix which Viv took for those who won't see them on Facebook and one of Crook Rapper.
